

First of all, I would like to thank all the parents and coaches for their patience in these confusing times. After many discussions with the City of Antigo, other league officers and talking with other baseball leagues. The Antigo Dugout Club is following the guidelines that the City of Antigo had set last week. We will not be having any organized games, tournaments or practices for 2020. This will include all levels of play from our youngest aged Little League teams to our older players at the Legion Level. This will also include our Stallions traveling baseball program.

However, the City of Antigo has opened the ball parks and batting cages for the use. So, if you and your family and friends want to use the parks that is completely up to you, it just won't be considered an Antigo Dugout Club sponsored event or covered by our insurance. If you choose to do this, please take the time to read through the CDC guidelines. I have also attached what the City has set as guidelines for ballfields in 2020.

This was a very difficult decision, and one that saddens us, but please understand that the safety of our kids and our community are the most important at this time. We hope the kids stay active this summer.

Finally, over the next few days you will be receiving information on the refund of the monies that you paid for 2020. This information can also be found on the antigodugoutclub.org.

Be safe this summer and stay active

Thanks

Chris Knapkavage

BALLFIELDS

- o The City of Antigo will not be scheduling any fields, so they are “first come first served” this year
- o Bases and/or equipment will not be available or provided by the City of Antigo for 2020
- o Ball fields will be dragged periodically for upkeep and maintenance
- o Follow CDC Guidelines as you stay active in the parks, on the trails and in open spaces
